

2023 South Metro Pheasants Forever Banquet

SPONSOR PACKAGES

The annual banquet is our chapter's main fundraiser that sets the budget for what we are able to accomplish in the coming year.

We strive to provide our community with events and clinics to help people learn and connect with the great outdoors. We care passionately for our veteran, youth, minority, and women's' outreach programs, and cannot continue these endeavors without the proper funding.

Being a banquet sponsor is more than just being a supporter of the event itself – it means helping provide our members and community with great outreach programs all year long – it means funding our biology and habitat projects across the state – it means helping conservation for generations to come!
